

Average Calls

How does Smiths Station compare to an “average” fire department?

According to the US Fire Admin (usfa.fema.gov) there are approx. 29,630 fire departments in the United States and according to NFPA (nfpa.org) there were approx. 36,624,000 calls to US fire departments in 2021

$36,624,000 \text{ calls} \div 29,630 \text{ departments} = \mathbf{1,236}$
average calls per department per year
