Smiths Station Fire and Rescue is suspending its ambulance service until it can find more funding.

"Smiths Station Fire & Rescue hopes to develop and submit a plan to the Lee County Commission very soon that will help achieve the additional funding that is needed."

SSF&R board meetings are held on the first Tuesday of every month at 7:30 p.m. Eastern Time at Station One - 50 Lee Road 430 (Panther Parkway) Smiths Station. They are open to the public and anyone who wishes to address the board can sign in to do so.

A news and social media rollout will take place in the next couple weeks to further clarify and inform the public on the new district, fees, and services.

I'm guessing everyone got a pamphlet about us getting a monthly or annual fee to support the smiths fire department. That I do agree with somewhat. The pamphlet is very vague. Is this charge for the people living in the city limits? if you don't pay will they refuse to help you? maybe someone from the fire department is listening and can give a little better information than this pamphlet. Again I support the fire department just a little confused about this matter!

👤m and I and 2 Smith Station High School students attended this meeting. Yes, that is correct 4 people total. I will be honest, I had NO idea what I paid towards our Fire Department. But I had no idea how close we are to maybe not having anyone respond if our house was on fire. I guess I just "assumed" that our property taxes covered that. So now I know, we pay \$50 a year, yes year not month. That is what every property in our fire district pays. That is per building not per... [See more](#)
